

## Why Should We Offer Mountain Credit Union Benefits to Our Employees?

Successful employers look for ways to keep their employees happy.

### Useful financial services for employees should be part of your benefits package.

- Partnership with Mountain Credit Union is FREE to the employer!
- Mountain Credit Union offers FREE resources for employees such as financial educational and consultations.
- Mountain Credit Union has many low or no-cost financial products & services.
- Mountain Credit Union develops close relationships with the employers they serve by coming on site to conveniently serve employees.
- Employees are less stressed and generally more productive when they are not distracted by their finances.
- Mountain Credit Union is member-owned, which means serving the member comes first.
- Mountain Credit Union is all about relationships – you can trust that your employees will be well taken care of.
- Our mobile apps add easy account access and utilization minimizing the need to leave work for financial matters.
- Mountain Credit Union gives individualized attention to meet your employees' financial needs.
- Mountain Credit Union will bring financial education classes on-site for your employees for better effectiveness.
